Arizona allows you to turn your state taxes into tuition scholarships for kids in private schools. You can **support your friends and family** in their educational choices by making a donation to Arizona Tuition Connection. Your state tax liability is then turned into scholarships for Arizona K-12 students who are attending qualified schools.

By choosing this tax credit program, you take control of your taxes. You will either pay your taxes to the state or you can use those funds to help a family.

100% of your contribution can be taken as a tax credit against your Arizona state taxes.

CHECK OUT THIS AWESOME VIDEO ON HOW EASY IT IS!

Creating scholarships is EASY!

1. Determine the dollar amount.

For donors taking the Arizona Tax Credit the maximum amounts are listed on the donation form. For donors not taking the Arizona Tax Credit, these maximums do not apply.

2. Determine if you would like to recommend a child or school.

Although Arizona law prevents us from using the recommendation as the only consideration when awarding scholarships, we do use it as one of the primary considerations.

3. Make your donation.

To donate, you can send in this donation form, donate on our secure website at www.arizonatuitionconnection.com, or you can call in your donation.

4. Take the credit.

Take your donation as a dollar-for-dollar tax credit on your Arizona state taxes and check to see if it can be a deduction off of your Federal taxes too.

Just call us at **480-409-4106** if you have any questions.
