November 28<sup>th</sup>, 2023 • **GIVING TUESDAY**

In the spirit of **assisting others** this Giving Tuesday, Arizona Tuition Connection is excited to announce that they will **match** any donation received on **Tuesday, November 28<sup>th</sup>**, with an equal scholarship to assist a low-income family at our school.

#### **HOW IT WORKS:**

1. Donors make Tax Credit Donations on Giving Tuesday, November 28<sup>th</sup>, 2023.
2. **Donors can recommend your family to receive the donation.**
3. Separately, Arizona Tuition Connection will match the donation by sending a scholarship of an equal amount to support a **different (low-income qualified) student at our school.**
4. These donations qualify for a dollar-for-dollar tax credit off the donor's AZ State taxes, (married couples can donate up to \$2,609, while singles can donate up to \$1,307).

#### **NEXT:**

1. Talk to your social contacts about making a tax credit donation and recommending your family!
